

Instructions:

1. You must comment your code at each step with enough details so that anyone who reads the code can understand it.
2. You can use external libraries to help you.
3. your code must handle errors and unexpected user inputs.
4. You can make it a console or windows application.
5. deadline is 1 month [22-Jan-2016] to [24-Feb-2016]
6. You must submit your project via email to [omar.shaaban@live.com.uk] by 24-Feb-2016.
7. We will set up a day to meet in the second semester , all groups to fully explain their project with a test run of the code.
8. All questions are welcomed at any time.

Group			Project Name
1	هبة صبحي - نهال عبد المنعم - طارق محمد		Project A - Maps
